MR. FRED MILLER, of Irving, Ill.,  
writes that he had a severe kidney  
trouble for many years, with severe  
pains in his back, and also that his  
bladder was affected. He tried many  
so called kidney cures, but without any  
good result. About a year ago he began  
the use of Electric Bitters, and found  
relief at once. Electric Bitters is  
especially adapted to the cure of all  
kidney and liver troubles, and often  
gives almost instant relief. One trial  
will prove our statement. Price only

## Ordinary Printing:

It "answers the purpose?" Does it? A very  
important item in connection with your stationery is  
the impression it leaves. It may reveal a slovenly  
disposition if it is not carefully and tastefully executed.  
We are very careful as to the  
wants and needs of a customer,  
and watch faithfully all details  
in connection with an order, large or small. Our  
facilities are almost ideal and make it comparatively  
easy for us to do so. Perhaps this will explain why  
we have been busy during the dull times.
